

The Victorian Branch
of the
ANZSRS
invites you to
the first branch meeting for 2021

Thursday March the 18th at 5pm

TOPICS

An overview of N95 mask fit testing

Nicholas Romeo

Northern Hospital

Practice Presentations for the virtual ASM

All Victorian presenters
are invited to practice their presentations
in front of a home crowd

The format will be different this year, so if you want to practice giving a virtual presentation before you record the final version for the ASM this is the perfect opportunity.

Please let me know if you want to present, as spaces will be limited.

RSVP to p.matsas@alfred.org.au
