

CENTRE OF EXCELLENCE IN
SEVERE ASTHMA

Innovative solutions for severe asthma

WEBINAR: Introduction to Exercise-induced Laryngeal Obstruction (EILO). What is it, who gets it, how you assess it, what you do about it?

CRE IN SEVERE ASTHMA WEBINAR | 25th March,
1.30 – 2.30 PM

Dr James Hull (Royal Brompton Hospital, UK) is an internationally renowned consultant respiratory physician with a PhD in exercise physiology.

Dr Hull helps athletes with breathing problems and works closely with many of the UK's top international sports teams and associations. He introduced a new test at the Trust, continuous laryngoscopy during exercise, for the diagnosis of upper airway problems during exercise.

Registration

This presentation will be available online as a webinar. To register for the **webinar** please go to:
