## Branch News

Last chance to apply for ANZSRS Jeff Pretto Memorial Research Grant!!

- The ANZSRS Jeff Pretto Memorial Research Grant is offered to encourage and support research in clinical and/or laboratory-based respiratory science by society members.
- This year's grant has increased from previous years and is funded up to an amount of **\$15,000**.
- If you wish to apply, please read and adhere to the application guidelines carefully. The closing date for applications is **5:00pm AUS EST Friday 16-Nov-2018**.

## Branch News

### Ascencia Education Grant

- Applications are now open for 2018
- This grant, funded by Ascencia Ltd, supports an ANZSRS member in pursuing continuing education/training at a recognised tertiary institution that is linked to their current role and is in the advancement of respiratory clinical practice.
- The grant is up to the value of **\$5000**.
- Further details and the application form are available on the ANZSRS website in the member only section under "Grants". The closing date is **5pm AEST Friday 30th November**.

## Branch News

- Keep an eye out for the Case of the Month November. This month will be available towards the end of the month and is completed by:

Mikaela Ryan  
Clinical Measurement Department  
Rockhampton Hospital

- Early bird rate until **January 19, 2018**
- On the Sunday afternoon we will have a paediatric lung function testing plenary lead by Doctor Nicole Beydon from the Armand Trousseau Children's Hospital in Paris.
- Two concurrent workshops will also be held in 2019; a CRFS session and 'the Mind Matters' workshop
- The social events will be the highlight of the meeting ... prepare to enter the fantasy world of a Venetian Masquerade Ball. Brisbane's Redtie band are back to have you out of your seats and dancing.

## QLD ANZSRS
