MENTOR PROGRAM

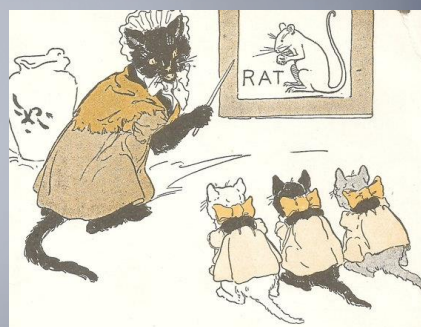

The Aim of the ANZSRS Mentoring Program is:

1. *To enhance the professional abilities of the Mentee*
2. *To aid the Mentee's career development*
3. *To enable the Mentee to network and learn from an interested professional*
4. *To provide professional support to Mentees working in isolation*
5. *To invest in the future of the profession and society*

The benefits of a Mentoring program include:

1. Promoting **confidence** and increasing **potential**
2. Support and encouragement in the development of specialist **skills**
3. Promotion and **career development** within the profession
4. Development of **leadership** skills in junior and senior members

If you wish to become a Mentor, be mentored or become an advisor, then please contact the Program Facilitators for more information. Margaret McElrea (margaret.mcelrea@health.qld.gov.au)

GRANTS
