Novotel, Rotorua

The Thoracic Society  
of Australia & New Zealand  
LEADERS IN LUNG HEALTH

ANZSRS  
Australian and New Zealand Society of Respiratory Science Ltd  
www.anzsrs.org.au

## TSANZ/ANZSRS NZ ASM 2021

Novotel Lakeside Rotorua  
September 29 - October 1, 2021

### What's in Store for 2021?

We are planning an exciting and informative scientific programme, based primarily around our theme  
- *Aotearoa: Our home, Our lungs.*

Rotorua will provide a fitting location for our theme, aimed at providing an in-depth look into our own medical backyard and a chance to celebrate the contribution made by the NZ Thoracic and Respiratory Science community.

### Hybrid Meeting Format

For the very first time, we are excited to announce a hybrid meeting format. All of the sessions for the TSANZ/ANZSRS NZ Meeting 2021 will be live-streamed, from the physical meeting in Rotorua and be available to view online.

If you can travel to Rotorua for the meeting, we would love to see you there. However, we understand that this may not be possible for some due to Covid-19 travel restrictions and are therefore offering a virtual registration attendance option.

### KEY DATES

**Registration Open:** April 20, 2021

**Abstract Submission Open:** April 20, 2021

**Abstract Submission Close:** August 8, 2021

**Earlybird Registration Close:** August 15, 2021
